

## GrooveCell Mini speakers for MP3 phones

Thank you for purchasing Cygnett's GrooveCell speakers. Hook up your MP3 phone and get the grooves flowing anywhere you go with the GrooveCell.

### Contents:

GrooveCell speakers  
USB charger cable

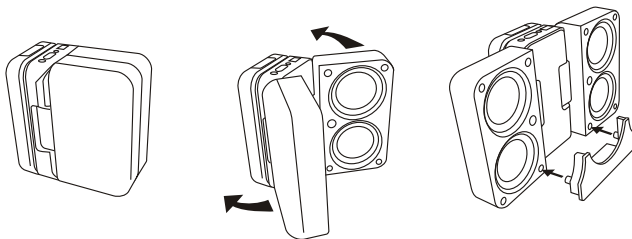

For product support, check the latest instructions & updates in the Support Section of our website: [www.cygnett.com](http://www.cygnett.com) or email us at [info@cygnett.com](mailto:info@cygnett.com)  
**Cygnett 12 Month Manufacturers Warranty • Register online at [www.cygnett.com](http://www.cygnett.com) to activate your warranty.**

### Step 1

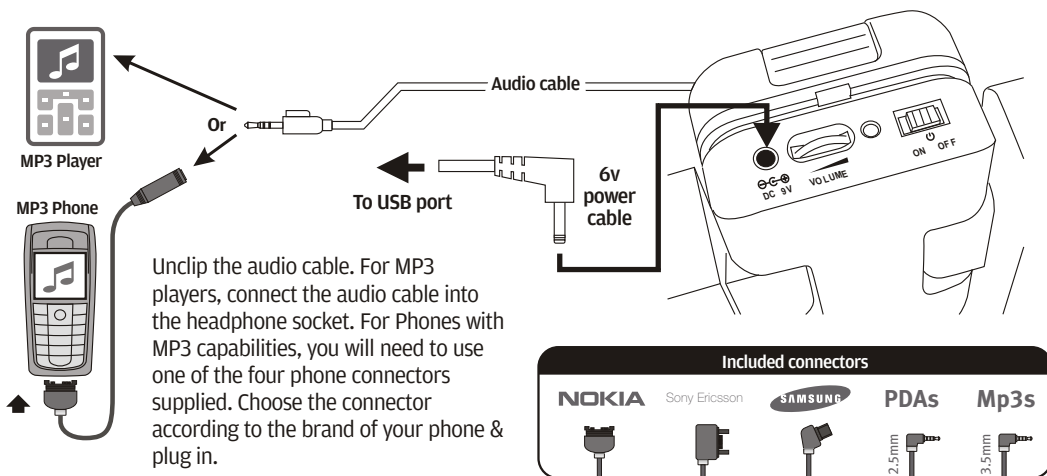

#### Unfolding GrooveCell

Unfold GrooveCell and press front panel into the 2 holes of the speakers

### Step 2

#### Connecting your phone / Mp3 player

#### Power requirements

You have two choices of how to power your GrooveCell. One way is with 4 x AA batteries. The other is via the USB Power Cable provided. To power via the cable, just plug into a USB port in your computer, and the smaller end into the DC 9 V jack at the top of the GrooveCell. When the power cable is plugged in, the batteries will not be used.

#### Power on / off switch

Switch GrooveCell on and the power LED will light up. To maximise battery life, remember to switch your GrooveCell off when not in use.
